- Teach Autism Spectrum Disorders courses to undergraduate students pursuing degrees.
 - Increase opportunities and awareness by collaborating with faculty and staff members on campus.
 - Formulate lesson plans based on course content, learning objectives and current research in the field.
 - Deliver innovative course instruction focused on real-life applications of theories and principles.

- Connect students to special education community experiences in a variety of environments.
- Integrate principles of special education, including ABA, Positive Behavior, & People-First Language.

National Director / Regional Coordinator, Independent Living Experience 2013 – 2016

- Directly and remotely supported and led staff nationwide across nine program sites, including Texas.
- Managed marketing, admissions, personnel, service delivery and budgeting across three cost centers.
- Ensured services were goal-driven and accountable while focusing on strengths and needs during the development of client support and service plans.
- Provided Autism Spectrum Disorder support services to consumers across the state by managing local and state partnerships.
- Implemented a nationwide vocational assessment system for both the CLE and ILE.
- Boosted transparency and ease of use by creating a simplified billing system.

Accomplishments:

- Increased the Texas client population from three up to 30 in the first 12 months.
- Grew the referral and outreach network by 300% within the first 12 months.

Life Coach / Employment Services, Autumn's Dawn Transitional Center 2012 – 2013

- Delivered individualized independent living, career management instruction and higher education to adults ages 18-35 who were diagnosed with Autism Spectrum Disorders.
- Utilized Social Thinking curriculum and research-based materials to teach group seminar courses.
- Provided vocational rehabilitation services to adults referred by the state's VR system.

Special Education Teacher / Case Manager, Humble ISD 2010

- Utilized collaborative academic and social skills instruction to teach students with learning disabilities and Autism Spectrum Disorders.
- Monitored student progress, achievement, and program service delivery, including modifications and accommodations through collaborative relationships with counselors, administrators and general and special education faculty members.
- Achieved maximum academic and social potential through the coordination of student services, assessments, and academic goals to develop a support system for students.

Vocational Evaluator, Focus Initiative and Academy 2011 – 2012

- Administered vocational assessments such as the COPSystem Career Measurement Package and AIR Self-Determination Scale.
- Developed comprehensive assessment reports including numerical, graphic and interpretive findings.

Curriculum Coordinator, Focus Initiative and Academy 2010 – 2011

- Created an online instructional system for students in grades 4-12 across two campuses.
- Trained individuals on Post-Secondary Transition and Autism Spectrum Disorders.

FOPI / Social Coach, Focus Initiative and Academy 2006 – 2011

- Aided in job placement, coaching and vocational preparation for adults with autism and other disabilities.
- Delivered social thinking instruction and supervision for children and young adults with autism.
